2026-Nichols-College-Annual-Safety-Report.pdf;

Hello,

In accordance with the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1988*, Nichols College provides notice each year by October 1st regarding the availability of the **Annual Security and Fire Safety Report (ASFSR)**. This report is prepared and distributed by the Office of Community Standards and includes crime and arrest statistics, along with information about campus policies and practices designed to promote crime awareness, campus safety, and security.

The **2026 Annual Security and Fire Safety Report** includes statistics from the 2025 calendar year, as well as historical data from 2024 and 2023. The preparation of this report involves collaboration among the Office of Community Standards, the Title IX Coordinator, the Department of Public Safety, and the Dudley Police Department.

The full report is attached and is also available online by visiting <https://hub.nichols.edu/departments/campus-safety-security-reports>. This webpage also provides additional information about campus safety resources and reporting options.

Students and employees may also obtain a paper copy of the report by contacting the Office of Community Standards at Community.Standards@nichols.edu or by visiting the Student Life Suite on the third floor of the Fels Student Center.

Thank you for taking the time to review this important information and for contributing to the safety and security of the Nichols College community.

Best,

Devin Kindred, M.Ed.

Assistant Dean of Students | Residence Life & Community Standards
