

National Hazing Prevention Week

From Nichols College Community Standards <Community.Standards@nichols.edu>

Date Tue 9/22/2026 10:22 AM

Bcc Nichols College Students - Day <DayStudents@nichols.edu>

Hello,

This week is **National Hazing Prevention Week**, an opportunity to recognize the role we all play in creating a safe and welcoming Nichols community.

Hazing can happen within athletic teams, clubs, organizations, and other groups. It includes behaviors that humiliate, intimidate, pressure, or put someone at risk as part of joining or belonging to a group.

Traditions can build community, but they should never come at the expense of someone's safety, dignity, or well-being.

If you experience, witness, or become aware of possible hazing, please report it [here](#) or contact Student Life or Public Safety for support.

Thank you for helping us build a community where everyone can belong safely.

Best,

Devin Kindred
Assistant Dean of Students
