
RAVE Emergency Alert System

From Wojnar, Steven J. <Steven.Wojnar@nichols.edu>

Date Tue 9/1/2026 3:03 PM

Good afternoon, Nichols College Community,

Next week on Tuesday, September 8, 2026, at approximately 10:45 am we will conduct a test of the Emergency Alert System (RAVE) here at Nichols College. Please take a quick moment to confirm your data in the RAVE Alert system so that this continues to operate efficiently. You can also TEST the system to ensure your phone numbers (and email addresses) are correct.

LOG IN to the RAVE system is available, through One Login or at Hub.Nichols.edu, using your Nichols College credentials; When you are in the system, in the upper right corner of the page, you will find the Icon for "Your Account." When that is selected, you will come to a page with all your information listed like below:

Example:

Jackie Baker
jackie.baker@Nichols.edu
Nichols College manages this information for you. Contact Nichols College if corrections are required.

 Mobile Phones + ADD

(1) 508--9874 Confirmed  TEST  

 Voice Only Line Contacts + ADD

(2) 508-213-2394  

 Email + ADD

Registration email:
jackie.baker@Nichols.edu TEST

Please update/delete any incorrect information or add anything new. These email addresses and telephone numbers will only be used to send notifications from RAVE.

Cell phones will receive both text and voice messages.

If you are experiencing any other problems or concerns with your RAVE alert notifications, please email HelpDesk@nichols.edu . This system is our primary means of communicating in an emergency, and it is highly recommended that you keep your information updated to best serve you.

Thank you in advance for your time and attention.

Sincerely,

Steven Wojnar

Director of Public Safety

Adjunct Professor, CJM Program
