Nichols College COVID-19 Policy Addendum Phase II

Effective Date: August 1, 2020

Date Last Revised: February 23, 2021

A safe and healthy campus is the utmost concern for Nichols College during this unprecedented time. Each member of the Campus Community must understand their role and responsibilities pertaining to the guidelines outlined throughout this policy. This addendum is in affect per the revised date above and is subject to change based on COVID-19 regulations and Campus needs. All other stipulations in the full Nichols College COVID-19 Policy are in affect and must be followed by all community members.

Guests

At this time students living within the SAME residence hall ONLY; may visit with one another from room to room. Be mindful not to exceed occupancy limits for your specific residence hall. Masks must be worn by all residents and their guests inside the rooms. All roommates need to be aware of and approve guests being present in the living space.
