QUESTIONS TO ANSWER (These are ones you will want to answer but you may think of others as well!) Weave the answers into your paper in a logical manner

What – What is your topic about

- Did it change over the years

Why – Why was it created? What was/is its purpose

When – When did major events in campus security history occur and what were they?

Who – Who was involved?

- Background/qualifications

So What? – What impact did/does this have on the Nichols community and beyond?
