NOTIFICATION POLICY FOR MISSING STUDENTS WHO RESIDE ON-CAMPUS

This policy contains the official notification procedures for Nichols College concerning missing students who reside in on-campus housing, in accordance with the requirements of the Higher Education Opportunity Act of 2008 (HEOA). The purpose of this policy is to promote the safety and welfare of members of the college community through compliance with HEOA requirements. This policy should be adhered to by all college faculty, staff, and students.

In the event that a member of the college community has reason to believe that a student who resides in on-campus housing is missing, he or she shall immediately notify the Nichols College Department of Public Safety (PS). Nichols PS will generate a missing person report and initiate an investigation. In addition, Nichols PS will report the missing person to Residence Life if such information has not already been conveyed.

During the course of the investigation, Nichols PS will determine if the student has been missing more than 24 hours. In such event Nichols PS will notify all surrounding law enforcement agencies and the student's emergency contact no later than 24 hours after the student is determined to be missing. If the missing student is under the age of 18 and is not an emancipated individual, Nichols PS will notify the student's parent or legal guardian immediately after they determine that the student has been missing for more than 24 hours.

In addition to registering emergency contacts, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by Nichols College in the event the student is determined to be missing for more than 24 hours. If a student has identified such an individual, Nichols College will notify that person no later than 24 hours after the student is determined to be missing. Students who wish to identify a confidential contact can do so by completing the appropriate paperwork during check-in procedures.

This policy is effective from the date of issuance and will be made available to all members of the campus community. Its availability will be through postings on the college website, Residence Life handouts/publications and statistical information brochures issued annually by Nichols PS.
