

With Canvas, most assignments and projects are uploaded to the course. However, there may be times when a printout is required.

With **PaperCut**, students get **FREE** printing (up to 500 pages). They can print from wherever they are: library, residence hall, classroom, even from home! The printouts will be waiting for them to pick up at the printer.

Locations of PaperCut Printers

Residence Halls

- Copper Beech 2
- Remillard Hall
- Shamie Hall

Classroom Locations

- Academic Building
- Library (2 monochrome and 1 color)
- Davis Hall
- Fels Student Center

NOTE: Nichols I.T. does NOT support any personal printer from the residence hall.
