

# BISON BOOK BUNDLE

- At Nichols, there is flat fee of \$25.20 per credit hour that covers all of your required course materials. (INCLUDING ALL DIGITAL MATERIALS). **ALL FULL-TIME, UNDERGRADUATE STUDENTS ARE AUTOMATICALLY ENROLLED IN THIS PROGRAM EACH SEMESTER.**
- Since you are billed for the fee, **YOU DO NOT PAY FOR BOOKS WHEN YOU ORDER OR WHEN YOU PICK-UP**, that gets taken care of when you pay your bill.
- Some of the things required by professors each semester include textbooks, case studies, labs manuals, and e-books. All online learning tools like MyLab, WebAssign, Connect, Wiley Plus, etc. are also quite common. **ALL OF THESE MATERIALS ARE INCLUDED!**
- In less than 5 clicks, your books can be ordered and you can come pick up your Book Bundle. **This convenience is one of the main reasons the Book Bundle is recommended for all incoming freshmen and transfer students.**
- The first day of classes:
  - Whether they have opted-out already or not, all full-time undergraduate students will have access to all digital materials (this ends a few weeks into the semester for people who have opted-out by that time.
  - **You will receive an email the first day of classes which contains access codes** from certain publishers—you will need these codes, **so save that email.** The subject line is regarding “Your Inclusive Access Materials...”
- Opting out of the Bison Book Bundle:
  - Your required materials change each semester, so some semesters it might make more sense for you to opt-out of the Book Bundle. **You must make a new decision every semester.**
  - If you do not manually opt-out, you will be charged for the Book Bundle whether you pick-up your materials or not.
  - **Opting-out is only possible during the opt-out period, which ends a week after add/drop ends.**
  - If you opt-out of the Book Bundle after paying for it, the fee will be refunded through the college (not the bookstore). It may show on your bill until several weeks into the semester.
  - **Anyone who opts out of the program must purchase all the digital access materials separately.** Note: to avoid any issues with your accounts, it is strongly recommended that you purchase the things you need before you lose access. **It is also recommended that you check the prices of the digital access you need before you commit to opting-out.**
  - You can opt back in if you have erroneously opted-out.
