### **QUESTIONS TO ANSWER (These are ones you will want to answer but you may think of others as well!) Weave the answers into your paper in a logical manner**

What – What is your topic about? What are some of the women's 'firsts'?

When – When were women admitted?

Where – Where were women housed?

Why – why did the college decide to admit women when it did?

Who – Who were the first women: examples. What did they achieve during their time on campus?

**So What? – What impact did this have on the Nichols community and beyond? New majors? What impact in the classroom, social activities and organizations, athletics?**
