QUESTIONS TO ANSWER (These are ones you will want to answer but you may think of others as well!) Weave the answers into your paper in a logical manner

What – What is your topic about? What was it? What do foresters do? What did the program consist of?

What was the Forestry Club? Woodsmen Competition?

When – When did program begin? Were there important developments in the program?

Where – Did all aspects of the program happen only on campus?

Why – why did the college decide to start the program? Why did it end?

Who – Who was important to the program? First director? Were these students special?

So What? – What impact did this have on the Nichols community and beyond?
