QUESTIONS TO ANSWER (These are ones you will want to answer but you may think of others as

well!) Weave the answers into your paper in a logical manner

What – What is your topic about

- What was is equipment. Did it change over the years
- What kinds of music did it play

Where – Where was the station? Did radio station move?

When – When did major events in the station's history occur and what were they?

Who – Who participated?

Why – Why was it created? What was/is its purpose?

So What? – What impact did this have on the Nichols community and beyond?
