

INTERLIBRARY LOAN POLICY

Books and copies of articles from journals not owned by Conant Library are available through Interlibrary Loan/Document Delivery. Generally, copies of articles become the property of the requesting patron and do not need to be returned.

The length of the borrowing period for interlibrary loan books and media is set by the lending library.

Reminder notices are sent via email when this item is due or if this item is being recalled. Requests to renew interlibrary loan items should be made by contacting the Patron Services Librarian via email or by phone at Ext. 2234. Renewals may/may not be granted by the lending library.

Overdue interlibrary loan items are assessed at \$2/day up to a max. of \$20. Items not returned within 10 days of the due date are considered lost and the borrower will be charged non-refundable overdue, replacement, and processing fees.

The timely return of items is appreciated and ensures the continuation of borrowing privileges.
