Cash payments in excess of \$10,000

Cash payments over \$10,000.00 USD within a 12-month payment period must be reported to the IRS via Form 8300. See more details on the Student Accounts Hub page.

Fall Payment Plan Options

Starting June 1st, interest-free payment plans are available, with the first payment due at setup. Each plan is only available in the designated month. The payment plan fee is \$40. Note: you must make the payment monthly, auto pay is not available. You must use student login credentials to create a payment plan, not a proxy login.

- 5-Month Plan: Available in June
- 4-Month Plan: Available in July
- 3-Month Plan: Available in August

Nichols College maintains a zero-balance policy. Students with outstanding balances after the add/drop period will have a registration hold placed on their account. This hold does not impact class attendance, dining, or extracurricular activities--it only restricts registration for the next semester. Holds are reviewed weekly and removed once the balance is fully paid.
