STUDENT HOUSING & DINING ACCOMMODATION RENEWAL FORM

This form is for students who have previously been approved for a housing and/or dining accommodation and are requesting renewal for the upcoming academic year. Updated medical documentation is generally not required when the previously approved accommodation and disability-related need have not changed.

Additional information or updated documentation may be requested if necessary to evaluate a new or changed accommodation request. Students should not resubmit previously provided documentation unless requested.

Section I – Student Information – to be completed by the student:

Student Name (Please Print): _____

Student Nichols Email: _____

Student ID: _____

Date of Request: _____

Please list the housing and/or dining accommodation(s) you were previously approved to receive:

Are you requesting the same accommodation(s) for the upcoming academic year?

☐ Yes – My accommodation(s) and disability-related needs have not changed. Proceed to the Section III – Student Acknowledgment.

☐ No – I am requesting a change or additional accommodation(s). Complete Section II below.

Section II – Updated Accommodation Information

Please describe what has changed regarding your disability-related housing or dining needs:

Please list any new or different accommodation(s) you are requesting:

Explain how the new or changed accommodation(s) would address a disability-related barrier within the residential and/or dining environment:

Section III – Student Acknowledgement

I certify that the information provided in this renewal request is accurate. I understand that renewal of a previously approved accommodation is based on my continued disability-related need and that the College may contact me if additional information is necessary to complete the review.
