Annual Report Introduction

This Annual Security and Fire Safety Report is prepared and distributed by the Office of Community Standards in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act; also amendments to the Violence Against Women Act. The law, aka The Clery Act requires educational institutions participating in student financial aid programs under Title IV of the Higher Education Act of 1965 to disclose college crime statistics by October 1st of each year via the Annual Security and Fire Safety Report. This report contains crime, arrest, and referral statistics for calendar years 2022, 2023, and 2024 that occurred on-campus, in on-campus student housing facilities, and on public property within or immediately adjacent to and accessible from campus. Also included in this report are institutional policies and practices intended to promote crime awareness, campus safety, and security. Additionally, this report provides statistics for fires reported in on-campus student housing facilities.

By October 1, 2025, all current students and employees receive email notification providing the link to this report and notification that the current addition of the Annual Security Report has been posted on the Nichols College website. Prospective employees may access this report online or obtain a copy from Human Resources located on the third floor in Conrad Hall. All individuals including prospective students and parents may access the report online at <https://www.nichols.edu/student-life/safety>.

Hard copies can be obtained from the Office of Community Standards located in the Student Life Suite on the third floor of the Fels Student Center, by calling 508-213-2009, by emailing Community.Standards@nichols.edu, or at the Public Safety Office located in the lower level of Auditorium Building.

Preparation and Sources for this Report

The preparation of crime statistics on an annual basis involves collaborative data sharing between the Office of Community Standards, the Nichols College Department of Public Safety, and the Dudley Police Department. Campus crime, fire, arrest, and referral statistics include reports made directly to the Department of Public Safety including those made to designated Campus Security Authorities (CSA) as defined under the Clery Act¹.

The Office of Community Standards obtains annual statistical data from the Dudley Police Department for incidents of crimes that occur on public property within the campus or immediately adjacent to, and accessible from the campus. Further collaboration with the Title IX Coordinator, Student Involvement, the Office of Residence Life, the Department of Public Safety, and the Office of Community Standards is utilized for updated information on educational programs and prevention in compliance with recent regulations.

Confidential Reporting

Victims of a crime, who may not want to pursue action within the college system or the criminal justice system, are encouraged to consider making a confidential report. The Dean of Students can file a report on the details of an incident without revealing a victim's identity. A confidential report is utilized to comply with a request for confidentiality, while taking steps to ensure the safety of the Campus Community. This information is used by the College to keep an accurate record of the number of incidents involving students, determine if and where there is a pattern of crime, location, method, or perpetrator, and alert the Campus Community to any potential danger. Reports filed in this manner are counted and disclosed in the annual crimes and statistics for the College. These reports may be made to any Campus Security Authority, Dean of Students, Assistant Dean of Student Life, Community Standards, or any Residence Life Staff Member.

Campus Security Authorities

Individuals on campus may also report crimes to a designated Campus Security Authority (CSA). The Clery Act regulations define a Campus Security Authority as:

- A member of a campus police department or a campus security department of an institution.
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).

- Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

In addition to input from Public Safety personnel, certain faculty and staff positions are designated as Campus Security Authorities (CSA) for the purpose of providing information for this report.

The individuals filling the following positions have been designated as Campus Security Authorities:

- Dean of Students
- Assistant Dean of Student Life
- Director of Residence Life & Community Standards Coordinator of Student Belonging
- Events and Operations Coordinator Public Safety Officers
- Area Coordinators Resident Assistants
- Center for Student Involvement Personnel Extra-Curricular Club Advisors
- Intramural Team Coaches Athletic Director Assistant Athletic Director Athletic Team Coaches
- Athletic Team Assistant Coaches Title IX Coordinator
- Deputy Title IX Coordinators

All CSAs should encourage any person who reports a crime or other incident involving campus security to notify the Nichols College Department of Public Safety immediately. Any CSA who receives a report of an incident involving crime or campus security except for violations listed in the Nichols College Title IX Policy and/or the Nichols College Sexual Misconduct Policy **must** contact the Nichols College Department of Public Safety immediately and inform the department of the incident consistent with the confidentiality considerations discussed below. The Department of Public Safety is responsible for the review and collection of crime reports provided by CSAs and are included in the yearly statistics. Reports of violations of the Nichols College Title IX Policy and/or Nichols College Sexual Misconduct Policy **must** be directed to the Title IX Coordinator. The Title IX Coordinator is responsible for reviewing the information provided by CSAs for inclusion in the yearly statistics.

As a result of the negotiated rulemaking process which followed the signing into law, the 1998 amendments of 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus professional and pastoral counselors, when acting as such, are not considered campus security authorities. As a matter of policy they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics².

The two are defined below:

1. Pastoral Counselor: An employee of an institution, who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.
2. Professional Counselor: An employee of an institution, whose official responsibilities include providing mental health counseling to members of the institution's community and who is functioning within the scope of their license or certification.

Confidentiality Considerations

A CSA is not required to disclose to the Department of Public Safety confidential information concerning an incident, such as information that would identify a victim of a crime who wishes their identity to remain confidential. However, CSAs are required to inform the Department of Public Safety of the existence of all known incidents, including confidential incidents. These incidents will be recorded as statistics by the department and, where appropriate, included in the College's Annual Security Report. In cases of violations of the Nichols College Title IX Policy and/or Sexual Misconduct Policy, Public Safety will be notified by the Title IX Coordinator.

If a reporting party does not consent to the disclosure of their identity to the Department of Public Safety, CSAs are expected to inform the department of the reporting party's wish for confidentiality and to report the incident to the Nichols College Department of Public Safety for statistical purpose only. CSAs must report an incident to the department without disclosing identifying information concerning the reporting party unless the reporting party consents to disclosure of their identity.

The College urges all community members to report any criminal incident to the Department of Public Safety. In the event an individual chooses not to report a crime, the College urges the person to at least disclose the occurrence of the incident to a Campus Security Authority so it may be counted, as appropriate, in the College's annual Clery Report.

Daily Crime Logs

The Jean Clery Disclosure Act requires that the Department of Public Safety produce a daily crime log that is available to the public. The purpose of this log is to provide information of criminal and alleged criminal incidents occurring on campus which may be relevant to the safety of all Nichols College Community members. It summarizes each reported criminal incident, and includes, when available, the nature of the crime reported, the date and time the crime occurred, the location of the crime, and the disposition of the complaint, if known. The Office of Community Standards provides the Department of Public Safety with pertinent information that is reported by Residence Life and other Campus Departments to be included in the Daily Crime Log.

The Department of Public Safety notifies all members of the Nichols College Community of the purpose of the Daily Crime Log, information that is included, and how to view the log. The Daily Crime Log archives are maintained at the Public Safety Office and are open to inspections free of charge during normal business hours Monday thru Friday between 8:00AM and 4:00PM. The Public Safety Office is located in the Lower Level in Daniels Auditorium. The most recent 90 days of the Daily Crime Log are available for inspection at any time

The Dudley Police routinely work and communicate with Public Safety on any serious incidents occurring in the immediate areas surrounding campus. Nichols College does not operate any off-campus housing or off-campus student organization facilities.

Campus Alerts, Timely Warnings and Emergency Notification

Emergency Notification

Emergency Notification is sent to the Nichols College Campus Community once the Dean of Students or his/her designee or the Director of Public Safety or his/her designee confirms that a significant emergency or a dangerous situation involving an immediate threat to the health or safety of any members of the Nichols Community is occurring on campus. Nichols College utilizes an emergency communication service known as RAVE. The value of RAVE can be realized only if Nichols community members identify means of contact. The Dean of Students sends an email to the Community instructing how to provide information for emergency notifications. An announced test of the system is conducted at the beginning of each year.

The Dean of Students, or designee will without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system. Discretion is used to determine if the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency notification process involves the receipt of information, the verification of this information, and the evaluation of the information.

Emergency notifications shall be made via the following means:

Telephone/cellular telephone calls	Fom a numbered account or from “Nichols Switchboard”
Text Messages	From a numbered account or from “Nichols Switchboard”
Campus Emergency Blue Light Telephones	Equipped with audio for siren and message
Email	Will originate from account called Nichols Alert
Written notification	Posted in each campus building

The following individuals/departments, in collaboration with the Dean of Students or designee, will routinely be involved in the confirmation of a significant emergency or dangerous situation and assist in making the determinations/content for the notification message content:

- Director of Facilities/Department of Facilities Management
- Director of Residence Life/Department of Residence Life
- Local Law Enforcement

The following have the authority to issue or authorize an Emergency Notification:

RAVE and the Nichols Alert will be used only in cases of emergency

Timely Warnings

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, Nichols College will issue Timely Warnings to the Campus Community. Timely Warnings are issued for crimes that have already occurred but represent serious or ongoing incident/crime/threat that occurs on campus or public property adjacent to the campus. The purpose of this warning is to aid in the prevention of similar crimes by alerting the community. A Timely Warning shall provide information on what actions can be taken to make informed decisions about personal safety. Timely Warnings are disseminated as emails to all students, faculty, and staff and under certain conditions may be delivered via the RAVE Notification System. The issuance of a Timely Warning will occur as soon as the pertinent information is available. Timely Warnings will withhold the names and personally identifying information for victims.

The decision to issue a Timely Warning is made by the Dean of Students on a case-by-case basis in compliance with the Clery Act. Timely Warning announcements will be

issued when there appears to be an ongoing or potential threat to the safety and security of the College Community for the following incidents including, but not limited to:

- Aggravated Assault Arson
- Burglary
- Negligent manslaughter Motor Vehicle Theft
- Murder/non-negligent manslaughter Sex Offenses
- Robbery
- Relationship Violence
- Other crimes as determined necessary

Any campus security authority (CSA) who receives information regarding one of the above Clery Act Crimes must immediately report the information to the Department of Public Safety.

Campus Aware

In serious, but non-immediate situations an email will be sent from the Dean of Students to the Nichols College email account as a means of mass notification to the campus community. This email will contain instructions and information designed to keep our campus informed. Notices from the Dean of Students' email account would not typically require an immediate reaction by individuals on our campus. Campus Aware messages will be information related, may be building specific or inform the campus of a hazard, notice of a critical change in protocol, and will also include "Timely Warnings" in which we notify the community of incidents related to sexual violence or safety concerns on campus.

Safety Bulletins

The Department of Public Safety provides the Nichols College Community with information regarding issues of personal and property safety. Safety Bulletins may include scam information, snow removal information, changes to parking due to events, safe Spring Break tips, personal/property safety tips during the holiday seasons, securing vehicles, and preparing for a safe winter break. These bulletins occur several times throughout the year.

Sex Offender Information

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires institutions of higher education to issue a statement advising the campus community where to obtain law enforcement agency information provided by a state concerning registered sex offenders. This information may be obtained on-line at www.dudleypolice.com then click on Public Information then click on Level 3 sex offenders or in person at the Nichols College Department of Public Safety Monday thru Friday between the hours of 8:00am and 4:00pm.

The Nichols College Department of Public Safety issues the following information to the Nichols College Campus Community in August and January of each year.

The Nichols College Department of Public Safety wishes to advise all members of the Nichols College Community that the Jeanne Clery Act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by the Commonwealth of Massachusetts concerning sex offenders may be obtained. This information may be obtained at the following locations:

Information regarding Level 2 and Level 3 Sex Offenders may be obtained:

- In person at the Nichols College Department of Public Safety, Monday thru Friday between the hours of 8:00 AM and 4:00 PM
- Online at www.mass.gov/sorb then click on Search for Sex Offenders Here then go to Level 2 and Level 3 Sex Offenders Search Form then in the box for City Name enter Dudley then click submit
- In person at the Dudley Police Department

Emergency Response and Evacuation

In the event that a building must be evacuated for the protection and safety of members of the community, students and employees are asked to move quickly from the premises to a location specified by Public Safety. No one will be permitted to return to their office/classroom until Public Safety determines the emergency is resolved.

Confirming a significant emergency or dangerous situation

First responders and essential personnel are responsible for initiating emergency warnings. Those responsible include, but are not limited to:

- Director of Public Safety or designee
- Public Safety Officer on duty
- Dean of Students
- Director of Residence Life & Community Standards
- Director of Facilities Management or designee

These individuals work in close collaboration with agencies and departments both on and off campus to gather and assess information related to events that may pose an immediate threat or hazard to the College Community. Each situation will be investigated to determine if the incident poses an immediate threat to the College Community.

The campus will be notified if there is a significant emergency, or dangerous situation that would result in an immediate threat to the health and safety of the students or staff. A message will be sent out regarding immediate emergency evacuation response and evacuation procedures with the use of electronic and cellular communication when deemed necessary. The RAVE (cellular communication) program will be tested on an annual basis. Testing occurred on September 14, 2025.

Evacuation of a building does not mean employees are permitted to leave work for the remainder of the day or that class is canceled. If it appears the evacuation will be for an extended period of time, the

Facilities Coordinator will inform the faculty of other available classroom space and the Director of Human Resources or his/her designee will coordinate administrative personnel to a temporary office location. If the situation takes place in a classroom building during evening hours; the Public Safety staff will work with the faculty to find suitable locations for classes.

If a residence hall needs to be evacuated for any period of time, the Dean of Student Services will make decisions about re-locating students. If a situation arises that calls for evacuation of all buildings, College personnel and students would be notified on a common meeting location. Locations may include Vendetti, Multipurpose Field or Shephard Hill Regional High School.

If the entire campus must be evacuated instructions will be given to all members of the Nichols Community following emergency notification procedures. The Dudley Police and Fire Department shall be contacted by Public safety and requested to assist in the direction of personnel to a safe area.

Campus Emergency Evacuation procedures are tested annually and organized through the Department of Public Safety. This test is announced to the Campus Community prior to the evacuation drill.

Emergency Preparedness

The Nichols College Crisis Management Plan (CMP) is a document that provides “How To” information to help the Campus Community respond to emergencies. The goal of this plan is to utilize all available resources to prepare for potential emergencies or disasters and deal efficiently with the effects of the events, respond to save lives, and protect property, and promote a means to recover mission-critical business and academic operations.

Nichols College, Dudley Police Department, and Dudley Fire Department embrace the National Incident Management System and will use command principles while responding to major incidents. Once credible information is made available to Nichols College administration of an actual or pending emergency, the Nichols College Crisis Management Plan shall be implemented.

Campus Security and Prevention

Access to Facilities

Nichols College Issued ID Cards

Every Nichols College student, faculty, and staff are issued identification cards containing a photo of the individual. Individuals are expected to carry their ID card with them at all times and produce upon request. IDs are programmed for Resident Students to be able to access their assigned Residence Hall. Card access is building specific. In the event that an ID card is lost/stolen, individuals should report this immediately to Public Safety or the Office of Student Life. The access to a particular card can be removed as soon as trained and authorized personnel become aware by a remote computer program.

Academic and Administrative Buildings

All buildings are secured each night and are open during normal business hours. Building hours may vary. Public Safety regularly patrols and checks all Campus Buildings. Multiple buildings/areas are also equipped with card access which is granted based on the student's or employee's role at the College.

Residence Halls

For the safety and security of all individuals living in the residence halls, all halls are locked 24 hours a day by a computer-controlled card-entry system. Access is granted by the personal identification card that is programmed to only open the building the student is assigned to. Residents are strongly encouraged to keep their doors locked at all times. If exterior doors are propped open, an alarm will sound at the door and at the Public Safety Office. An Officer or staff member will respond to the scene to secure the door. Residence Life Staff in addition to Public Safety perform rounds and safety checks of Residence Halls.

Security and Prevention

Blue Light Emergency Phones

Blue light emergency phones are placed at 21 locations throughout the campus grounds to use in the event of an emergency. These phones provide a direct line of communication to Public Safety. These lights are equipped with siren and audio to provide means for Campus Wide emergency notification messages.

Video Camera System

The Department of Public Safety manages a campus-wide video surveillance system. Currently, the system is comprised of approximately 155 cameras, to include fixed position cameras located both indoors and out. All of the video footage is recorded and archived for a determined period of time, providing an investigative resource when incidents of crime are reported. Consideration is

given to the reasonable expectation of privacy at every location where a camera is installed. Cameras are generally installed in main pedestrian thoroughways, building egresses, parking lots and facilities, and public roadways and sidewalks; in short, cameras are only installed at locations where one's expectation of privacy is generally limited.

Public Safety Escort/Transport Service

Nichols College students may call Public Safety at any time and request a ride from one location on campus to any other location on campus. A uniformed member of the Public Safety Department will respond in a marked vehicle and transport the student to the desired on-campus location. This service is available 24 hours a day.

NC Shuttle Service

The Office of Student Life offers a free shuttle service to local area locations to provide a safe ride for students. This shuttle runs on multiple days throughout a month. Destinations include, but are not limited to, Walmart, Blackstone Valley Shoppes, Market Basket, Wrentham Outlets, Worcester, Boston, Providence, and Patriot Place.

Campus Lighting and Landscaping

Outdoor lighting is maintained and surveyed by the Department of Facilities Management on a constant basis and repairs are made in a timely manner. Landscaping is also maintained by Facilities Management. Trees and shrubbery are regularly trimmed so that exterior lighting is not impeded and walks and entrances are kept clear. Landscaping is maintained to minimize security risks with specific detail to impacting campus buildings. A proactive safety audit is conducted after dark for an assessment on needed improvements for lighting on campus.

Firearms and Weapons

Dangerous Weapons, Fireworks, and Explosives Weapons, firearms, fireworks and explosives or any item that could threaten the potential safety of the Nichols College Community are strictly prohibited on campus. Weapons prohibited on campus include but are not limited to firearms, ammunition, knives over 8 inches in length, BB, air-soft or pellet guns, bows, arrows, slingshots, paintball guns, machetes, pepper spray (mace), nun chucks, throwing stars, or taser/stun guns of any voltage. Toy weapons, including NERF, and those that look like real weapons are similarly prohibited.

Missing Person Policy

In compliance with the Higher Education Act of 2008, Nichols College has implemented the following policy and procedures for reporting, investigation, and making emergency notifications regarding any resident student who is reported or believed to be missing.

Registering Information

All students are required to provide the Office of Student Life with the correct and accurate contact information for two individuals who can be contacted in the event of an emergency.

In addition to providing a general emergency contact, students residing in the residence halls are required to fill out an up-to-date missing person contact of their choosing with the Office of Student Life. Students must provide this information via the online check-in process available on the Nichols College Housing Portal. This contact information is kept confidential and will only be used by authorized campus officials in a missing student investigation.

Reporting a Missing Student

In the event that a member of the college community has reason to believe that a student is missing, the following individuals/departments can be contacted to report:

- Nichols College Department of Public Safety (PS) at 508-213-2298 Dean of Students
- The Office of Residence Life
- The Office of Community Standards Area Coordinators
- Resident Assistants
- Other Identified CSAs (mentioned above)

*Any missing student report must be referred immediately to the Department of Public Safety.

Investigation

Nichols Public Safety will generate a missing person report and initiate an investigation. In addition, Nichols Public Safety will report the missing person to Residence Life if such information has not already been conveyed. During the course of the investigation, Nichols Public Safety will determine if the student has been missing more than 24 hours. In such event Nichols Public Safety will notify all surrounding law enforcement agencies.

Notification to Missing Person Contact

The student's emergency contact will be notified no later than 24 hours after the student is determined to be missing. If the missing student is under the age of 18 and is not an emancipated individual, Nichols Public Safety will notify the student's parent or legal guardian immediately after they determine that the student has been missing for more than 24 hours. In addition to registering emergency contacts, students residing in on-campus housing have the option to identify confidentially an individual to be contacted

by Nichols College in the event the student is determined to be missing for more than 24 hours. If a student has identified such an individual, Nichols College will notify that person no later than 24 hours after the student is determined to be missing. Students who wish to identify a confidential contact can do so by completing the appropriate forms during the check-in procedures.

Title IX and Sexual Misconduct Policy

Nichols College is committed to providing a safe and respectful community free from sex and gender-based discrimination. In line with federal and state laws, including Title IX of the Education Amendments of 1972 and Title VII of the Civil Rights Act of 1964, the College strictly prohibits sexual misconduct. This includes sexual assault, dating violence, domestic violence, sexual harassment, sexual exploitation, coercion, intimidation, stalking, and retaliation.

These policies apply to all members of the Nichols community, students, faculty, staff, applicants for admission or employment, contractors, and visitors. The complete policies are available at: www.nichols.edu/title-ix

Emergency/Immediate Reporting

- Call 911 for emergencies, immediate danger, or medical assistance.
- Nichols Public Safety (508-213-2298) is available 24/7 and can help secure safety, arrange medical transport, and connect you to local law enforcement.
- Nichols works closely with the Dudley Police Department, and Public Safety can assist with filing a police report if desired.

Contacting Public Safety does not require you to pursue a criminal complaint. They can provide support, connect you with resources, and help you make informed decisions.

Medical Care and Evidence Preservation

If you have experienced sexual assault or related violence, seeking timely medical care is strongly encouraged. Medical providers can:

- Treat injuries and provide testing for sexually transmitted infections (STIs) or pregnancy.
- Collect and preserve evidence in case you wish to pursue legal action.

Massachusetts law requires providers to report sexual assault for statistical purposes, but your name and personal details are not included. Choosing medical care preserves your options without committing you to any course of action.

Non-Emergency Reporting and Support

- Reports of sexual misconduct can be made directly to the Title IX Coordinator or any member of the Title IX team.
- You may also report to Campus Security Authorities (CSAs) or trusted College employees (Resident Assistants, Area Coordinators, advisors, coaches). These employees are required to share reports with the Title IX Coordinator so the College can respond appropriately.
- Confidential support is available through Health Services, the Counseling Center, or off-campus partners like Pathways for Change (800-870-5905).

Nichols encourages direct reporting to the Title IX Coordinator to ensure prompt support and a fair process. Contact information for the Title IX Coordinator and team members is available in the full policy at www.nichols.edu/title-ix

Nichols College Title IX Policy

This is a brief overview of the Title IX Policy – review the complete Title IX policy at www.nichols.edu/title-ix.

PURPOSE AND SCOPE

Nichols College is committed to providing a workplace and educational environment, as well as other benefits, programs, and activities, that are free from sexual harassment and retaliation. To ensure compliance with federal and state civil rights laws and regulations, and to affirm its commitment to promoting the goals of fairness and equity in all aspects of the educational program or activity, Nichols has developed internal policies and procedures that provide a prompt, fair, and impartial process for those involved in an allegation sexual harassment or retaliation. This Title IX Sexual Harassment Policy is based on regulations promulgated by the U.S. Department of Education under Title IX of the Education Amendments Act of 1972, and the 2020 Final Federal Regulations.

In order to address incidents of sexual misconduct that do not fall within the definition of this Title IX Sexual Harassment Policy, the College has two policies that address sexual misconduct: (1) this policy and (2) the Nichols College Sexual Misconduct policy. If the allegations forming the basis of a Formal Complaint (defined below), if substantiated, would constitute prohibited conduct under both policies, then the Grievance Process set forth in this Nichols College Title IX Sexual Harassment Policy will be applied in the investigation and adjudication of all of the allegations.

The Nichols Sexual Misconduct policy applies only to certain conduct, as defined under that policy. Specifically, the Nichols College Sexual Misconduct policy applies to forms of sexual misconduct that do not fall under the scope of the Nichols College Title IX Sexual Harassment policy, including Sexual Exploitation, Improper Conduct related to Sex, and College Sexual Harassment (not falling under Title IX). The Nichols College Sexual Misconduct policy also applies to certain contact that would otherwise be prohibited under the Title IX Sexual Harassment policy (e.g., Sexual Assault, Domestic Violence, Dating Violence, and Stalking under the Title IX Sexual Harassment policy), but which must be dismissed under the Title IX Sexual Harassment policy because they do not meet the jurisdictional requirements (described further).

The College will respond to reports or Formal Complaints of conduct prohibited under this policy with measures designed to stop the prohibited conduct, prevent its recurrence, and remediate any adverse effects of such conduct on campus or in Nichols-related programs or activities.

The College will not deprive an individual of rights guaranteed under federal and state law (or federal and state anti-discrimination provisions; or federal and state law prohibiting discrimination on the basis of sex) when responding to any claim of Title IX Sexual Harassment.

Prohibited Conduct

This policy addresses Title IX Sexual Harassment, which encompasses all of the prohibited conduct described below that occurs on the basis of sex and meets all of the following requirements:

- Occurs within the United States; and
- Occurs within the College's education program or activity, meaning a) locations, events, or circumstances over which the College exercises substantial control over both the respondent and the context in which the Title IX Sexual Harassment occurs, and b) any building owned or controlled by a student organization that is officially recognized by the College; and
- At the time of filing a formal complaint, a complainant is participating in or attempting to participate in the education program or activity at the College.

Allegations of sexual misconduct that do not fall under this policy because they do not constitute prohibited conduct as defined in this section may constitute violations of the Nichols College Sexual Misconduct Policy.

In determining whether alleged conduct could violate this policy, the Title IX Coordinator will consider the totality of the facts and circumstances involved in the incident, including the nature of the alleged conduct and the context in which it occurred. Any of the prohibited conduct defined in this policy can be committed by individuals of any gender, and it can occur between individuals of the same gender or different genders. It can occur between strangers or acquaintances, as well as people involved in intimate or sexual relationships.

The prohibited behaviors listed below are serious offenses. Prohibited conduct involving force, duress, or inducement of incapacitation, or where the perpetrator has deliberately taken advantage of another individual's state of incapacitation, will be deemed especially egregious and may result in expulsion or termination of employment. The respondent's consumption of alcohol or the use of illegal substances does not constitute a mitigating circumstance when it contributes to a violation under this policy.

Title IX – Sexual Harassment means conduct on the basis of sex that satisfies one or more of the following:

- An employee of the College conditioning the provision of an aid, benefit, or service of the College on an individual's participation in unwelcome sexual conduct (also called "Quid Pro Quo Sexual Harassment"); or
- Unwelcome sexual conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies an individual equal access to the College's education program or activity (also called "Hostile Environment Sexual Harassment"); or
- Sexual Assault, Dating Violence, Domestic Violence or Stalking as defined below.
- Sexual Assault: Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent. Sexual assault can occur between individuals of the same or different sexes and/or genders. This includes the following:
 - Rape: Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, or by a sex-related object. This definition also includes instances in which the victim is incapable of giving consent because of temporary or permanent mental or physical incapacity (including due to the influence of drugs or alcohol) or because of age. Physical resistance is not required on the part of the victim to demonstrate lack of consent;
 - Criminal Sexual Contact: The intentional touching of the clothed or unclothed body parts without consent of the victim for the purpose of sexual degradation, sexual gratification, or sexual humiliation or the forced touching by the victim of the actor's clothed or unclothed body parts, without consent of the victim for the purpose of sexual degradation, sexual gratification, or sexual humiliation;
 - Incest: Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law; or

- **Statutory Rape:** Sexual intercourse with a person who is under the statutory age of consent.
- **Domestic Violence:** A felony or misdemeanor crime of violence committed: (a) by a current or former spouse or intimate partner of the victim; (b) by an individual with whom the victim shares a child in common; (c) by an individual who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; (d) by an individual similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the felony or misdemeanor crime of violence occurred; (e) by any other individual against an adult or youth victim who is protected from that individual's acts under the domestic or family violence laws of the jurisdiction in which the felony or misdemeanor crime of violence occurred. For purposes of this policy, an intimate partner is defined as an individual with whom one has or had a short- or long-term relationship that provides romantic and/or physical intimacy or emotional dependence. Intimate relationships can occur between individuals of the same gender or different genders and may include (but are not limited to) marriages, civil unions, dating relationships, "hook-up" relationships, relationships in which partners are characterized as "girlfriends" or "boyfriends," and relationships between individuals with a child in common.
- **Dating Violence:** Violence committed by an individual who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting individual's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the individuals involved in the relationship. This includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.
- **Stalking:** Engaging in a course of conduct directed at a specific individual that would cause a reasonable person to: (a) fear for the individual's safety or the safety of others; or (b) suffer substantial emotional distress. For the purposes of the Stalking definition: Course of conduct means two or more acts, including acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about an individual, or interferes with an individual's property. Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

Retaliation: Retaliation under this policy: No individual may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by this policy or because an individual has made a report or formal complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy.

The College retains the right to charge an individual for making a materially false statement in bad faith during the course of an investigation, proceeding, or hearing

under this policy, but will not conclude that any individual has made a materially false statement in bad faith solely based on the determination regarding responsibility.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy does not constitute retaliation; provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Complaints alleging retaliation under this Title IX Sexual Harassment policy, including for the exercise of rights under this policy, must be filed in accordance with this policy and will be addressed promptly and equitably. Where the individual allegedly retaliating is not affiliated with the College and not otherwise subject to its policies, the Title IX Coordinator will process the complaint and take appropriate measures.

Notwithstanding the above, the exercise of rights protected under the First Amendment does not constitute retaliation prohibited under this policy.

REPORTING SEXUAL MISCONDUCT

The College encourages everyone to report concerns about possible Sexual Misconduct to the College's Title IX Coordinator. Sharing such concerns enables the College to offer support to impacted parties and protects the community from continuance of the alleged misconduct. This Policy distinguishes the action of filing a Report from filing a Formal Complaint. Thus, information shared about suspected Sexual Misconduct does not automatically trigger formal action or an investigation, as discussed below.

Importantly, a person does not need to be directly impacted by Sexual Misconduct in order to make a report. Rather, anyone who observes or otherwise learns about concerns regarding Sexual Misconduct is encouraged to report.

Some forms of Sexual Misconduct may also constitute crimes. The College also strongly encourages any individual who experiences, witnesses, or learns of possible criminal conduct to report them to the Nichols College Department of Public Safety or local law enforcement. Prompt reporting allows law enforcement to collect and preserve evidence.

CONFIDENTIAL RESOURCES

If a student or employee wants to speak with a confidential resource, trained staff are available on and off-campus. Help and support is available to those who want to talk in detail about an incident but are not sure if they are ready or interested in reporting to the College or law enforcement.

Information shared with Confidential Resources (including information about whether an individual has received services) will only be disclosed to the Title IX Coordinator or any other individual only with the individual's express written permission, unless there is an imminent threat of serious harm to the individual or to others, or a legal obligation to reveal such information (e.g., if there is suspected abuse or neglect of a minor).

Information that is shared with a Confidential Resource does not constitute a Report or notice to the College of concerns of sexual misconduct.

On-Campus Confidential Resources include:

- Nichols College Health Services: 508-213-2238 health.services@nichols.edu
- Nichols Counseling Center: 508-213-2238 counseling.services@nichols.edu

Off-Campus Confidential Resources include:

- Pathways for Change a locally based agency which provides free, confidential services to sexual assault victims, their friends, and families. It also operates a

24-hour, free, confidential hotline that provides victims of sexual assault with telephone counseling and personal support:

588 Main Street Worcester MA 01608

24/7 Hotline (800) 870-5905

Office (508) 852-7600

- Employees (staff and faculty) can access medical, counseling, and other forms of support through a third party provided Employee Assistance Program (EAP). The EAP's counseling, referral and treatment is completely confidential for Nichols' employees and members of their immediate family. Nichols' EAP administrator, Employee Connect, can be reached 24 hours a day at (888) 628-4824 or by visiting www.lincoln4benefits.com or www.guidanceresources.com. For more information about this program, please refer to the Employee Handbook.

ANONYMOUS REPORTING

If an individual wishes to make a report to the College but remain anonymous in doing so, reporting individual makes an anonymous report, the Title IX Coordinator will consider how to proceed, taking into account the individual's articulated concerns; the best interests of the Nichols community; fair treatment of all individuals involved; and the College's obligations under Title IX.

An Impacted Party cannot file a Formal Complaint anonymously.

Any individual may make an anonymous report concerning a violation of this policy through the Nichols College Incident Reporting Form, which can be made without disclosing the reporting individual's own name, identifying the respondent, or requesting any action. However, if the reporter provides limited information, the Title IX Coordinator may be limited in its ability to take action. A Nichols College Incident Reporting Form is not a Confidential Resource and making a report through this means may result in a review and/or investigation.

Impacted Parties/Complainants and other reporting individuals are encouraged to report any violation of this policy as soon as possible in order to maximize the College's ability to respond promptly and effectively. Reports and formal complaints may be made at any time without regard to how much time has elapsed since the incident(s) in question. If the respondent is no longer a student or employee at the time of the report or formal complaint, the College may not be in a position to gather evidence sufficient to reach a determination as to the formal complaint. However, the Title IX Coordinator will still seek to provide support for the complainant and seek to take steps to end the prohibited behavior, prevent its recurrence, and address its effects.

Employees who are Mandatory Reporters cannot fulfill their obligation of reporting to the College by reporting anonymously.

TIMELINESS OF REPORT

Impacted Parties/Complainants and other reporting individuals are encouraged to report any violation of this policy as soon as possible in order to maximize the College's ability to respond promptly and effectively. Reports and formal complaints may be made at any time without regard to how much time has elapsed since the incident(s) in question. If the respondent is no longer a student or employee at the time of the report or formal complaint, the College may not be in a position to gather evidence sufficient to reach a determination as to the formal complaint. However, the Title IX Coordinator will still seek to provide support for the complainant and seek to take steps to end the prohibited behavior, prevent its recurrence, and address its effects.

AMNESTY

The Nichols Community encourages the reporting of misconduct and crimes by Impacted Parties/Complainants and witnesses. Sometimes, Impacted Parties/Complainants or witnesses are hesitant to report to college officials or participate in grievance processes because they fear that they themselves may be in violation of certain policies, such as underage drinking or use of illicit drugs at the time of the incident. Respondents may hesitate to be forthcoming during the process for the same reasons.

It is in the best interests of the Nichols Community that Complainants choose to report misconduct to College officials, that witnesses come forward to share what they know, and that all parties be forthcoming during the process.

To encourage reporting and participation in the process, Nichols College maintains a policy of offering parties and witnesses amnesty from minor policy violations – such as underage consumption of alcohol or the use of illicit drugs – related to the incident.

HOW TO FILE A COMPLAINT

If an Impacted Party wishes to pursue investigation or other resolution of an alleged incident of Sexual Misconduct, they must file a Formal Complaint (at which time the Impacted Party will be referred to as the Complainant). The filing of a Formal Complaint means that the individual is asking the Title IX Coordinator to take further steps, such as initiating an investigation and resolution process, which may include Informal Resolution or a Hearing.

An Impacted Party/Complainant can obtain a copy of a Formal Complaint Form by contacting the Title IX Coordinator by one of the following means:

- Email: Cari.Cyr@nichols.edu;
- Telephone: 508-213-2104; or
- In-Person: Fels Student Center, Suite 301, 121 Center Road, Dudley, MA 01571

Formal Complaints must be in writing and should include all information that the Complainant believes to be relevant (e.g., time, location and nature of incident, names of individuals involved in or witnesses to the incident, names of other persons affected by the incident, etc.) plus a request for the College to investigate and/or initiate a resolution process, whether Formal or Informal. A Formal Title IX Complaint may be

filed with the Title IX Coordinator in person, by mail, or by email, by using the contact information below.

To file a complaint by mail or in person during business hours:

Please contact Title IX Coordinator Cari Cyr at Fels Student Center, Suite 301, 121 Center Road, Dudley, MA 01571-5000

To file a complaint by email: Please email Cari.Cyr@nichols.edu

A Formal Title IX Complaint also must be signed by the Complainant. An electronic signature or email from an individual account that serves to identify the Complainant, not just a hard signature, is acceptable.

An Impacted Party cannot file a Formal Complaint anonymously.

The Title IX Coordinator will endeavor to honor the wishes of the Impacted Party or Complainant. In order to protect the safety of the campus community, the Title IX Coordinator may review reports of violations of this policy even absent the filing of a Formal Complaint, or under certain circumstances, even if a formal complaint has been withdrawn, in limited circumstances. The Title IX Coordinator may need to themselves file a Formal Complaint and proceed with an Investigation even if a Complainant specifically requests that the matter not be pursued. In such a circumstance, the Title IX Coordinator will take into account the complainant's articulated concerns, the best interests of the College community, fair treatment of all individuals involved, and the College's obligations under Title IX.

HOW THE COLLEGE RESPONDS TO REPORTS

Upon receipt of a report of possible Sexual Misconduct, the Title IX Coordinator will promptly contact the Impacted Party to discuss options for support, resources, and options for resolution. The Title IX Coordinator will also perform an initial assessment of the report to determine which if any further actions may be indicated or required.

SUPPORTIVE MEASURES

The Title IX Coordinator will offer and implement appropriate and reasonable supportive measures to the parties upon notice of alleged harassment, discrimination, and/or retaliation. A party does not need to file a Formal Complaint in order to access Supportive Measures.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the parties to restore or preserve access to the College's education program or activity, including measures designed to protect the safety of all parties or the Nichols College educational environment, and/or deter harassment, discrimination, and/or retaliation.

The Title IX Coordinator promptly makes supportive measures available to the parties upon receiving notice of a report or a complaint. At the time that supportive measures are offered, the Title IX Coordinator will inform the Impacted Party/Complainant, in writing, that they may file a formal complaint with the Title IX Coordinator either at that time or in the future, if they have not done so already. The Title IX Coordinator

works with the Impacted Party/Complainant to ensure that their wishes are taken into account with respect to the supportive measures that are planned and implemented.

The Title IX Coordinator will maintain the privacy of the supportive measures, provided that privacy does not impair the College's ability to provide the supportive measures.

The Title IX Coordinator will act to ensure as minimal an academic or occupational impact on the parties as possible. The Title IX Coordinator will implement measures in a way that does not unreasonably burden the other party.

Examples of potential Supportive Measure may include, but are not limited to:

1. Referral to counseling, medical, and/or other healthcare services;
2. Referral to community-based service providers;
3. Student financial aid counseling;
4. Education to the institutional community or community subgroup(s);
5. Altering campus housing assignment(s);
6. Altering work arrangements for employees or student-employees;
7. Safety planning;
8. Providing campus safety escorts;
9. Providing transportation accommodations;
10. Implementing contact limitations (no contact directives) between the parties;
11. Academic support, extensions of deadlines, or other course/program-related adjustments;
12. No Trespass Orders;
13. Timely warnings;
14. Class schedule modifications, withdrawals, or leaves of absence;
15. Increased security and monitoring of certain areas of the campus;
16. Any other actions deemed appropriate by the Title IX Coordinator.

Supportive Measures are available to an Impacted Party or Complainant, Respondent, Witness, and others who may have been impacted by Sexual Misconduct and/or who have participated in an Investigation and/or Resolution of a Complaint.

RESOURCES

The Title IX Coordinator will make parties aware of the resources available to them.

In the event of an emergency, the highest priority should be to get to a safe place if possible. Consider contacting law enforcement and/or seeking medical attention. The quickest way to access law enforcement and/or medical resources is by dialing “911”.

Additionally, you may consider contacting one or more of the resources below:

Individuals who have been impacted by Sexual Misconduct are encouraged to seek medical attention as soon as possible after the assault to ensure their physical well-being. Even if there is no obvious, external physical injury, medical providers can test for sexually transmitted diseases, pregnancy and internal trauma. If needed, Nichols College can provide transportation and assistance to the local hospital, UMass Memorial Health- Harrington, which is a designated SANE Site, meaning that Sexual Assault Nurse Examiner Services will be available.

Individuals who have been impacted by Sexual Misconduct are encouraged to try to preserve physical evidence, which is important to the successful criminal prosecution of offenders. In order to preserve evidence of sexual assault, survivors should not shower, douche or change clothes or bedding before seeking medical attention. All clothing items should be placed in a paper bag and taken to the hospital. Also, if oral contact was made, survivors are asked not to brush their teeth, smoke or eat. Evidence can be collected at area hospitals, including UMass Memorial Health- Harrington, 508-765-9771. In instances of physical or sexual assault, consider taking photographs of injuries or asking someone else to do so.

Nichols College students and employees have the following rights:

- to notify or decline to notify law enforcement, including campus, state or local police;
- to receive assistance from Nichols College officials, including the Title IX Coordinator, in making such notification;
- to seek a court-issued protective order or an institutional no-contact order against an alleged perpetrator of sexual misconduct;
- to pursue Nichols College's processes for investigation and resolution concurrently with, prior to, or after pursuing any external processes, including criminal and civil processes.

The resources designated in the chart above with an asterisk (*) are considered to be Confidential Resources for Nichols College students and employees. Confidential Resources are not obligated to report information that is provided to them. This allows individuals to explore their options in a non-pressured environment while they make informed decisions. There may be exceptions in cases involving child abuse, imminent risk of serious harm, emergent hospitalization, or a court order. In addition, non-identifying information about violations of the Nichols College Title IX Sexual Harassment Policy may be submitted to the Department of Public Safety for purposes of the anonymous statistical reporting under the Clery Act. An individual who is not

prepared to make a report or formal complaint, or who may be unsure how to label what happened, but still seeks information and support, is strongly encouraged to contact a Confidential Resource.

Nichols College students and employees may report any concerns about sexual misconduct, regardless of where they occurred or when, to the Title IX Coordinator. The Title IX Coordinator is not a Confidential Resource. However, the Title IX Coordinator involved in the investigation and adjudication of sexual misconduct complaints will take into consideration the privacy of the parties to the extent possible. In accordance with federal regulations, the College will keep confidential the identity of any individual who has made a report or formal complaint under this policy, including any complainant, any individual who has been reported to be the perpetrator, any respondent, and any witness, except as may be permitted by Family Educational Rights and Privacy Act (FERPA), or as required by law, or to carry out the purposes of conducting any investigation or hearing under this policy.

When information is shared with the Department of Public Safety that could constitute a serious and continuing threat to the campus community, the Department of Public Safety may issue a timely warning in accordance with federal regulation to protect the health or safety of the community. The Department of Public Safety may also publish a reported incident in the daily crime log or annual security report. In addition, the College may also share non-identifying information, including data about outcomes and sanctions, in aggregate form. The College will not disclose the name or other personally identifiable information of the complainant unless it has received the express consent of the complainant or unless the release of such information is consistent with legal requirements or mandated by law.

OPTIONS FOR RESOLUTION

A complainant, respondent, or witness has many options, including counseling and support services.

After a Report is made, an Impacted Party may:

- Request supportive measures from the Title IX Coordinator;
- File a formal complaint with the Title IX Coordinator, thereby invoking the internal grievance process;
- Contact the Department of Public Safety for assistance in filing a criminal complaint and preserving physical evidence; and/or
- Contact local law enforcement to file a criminal complaint. At the Impacted Party's request, the Title IX Coordinator will assist in contacting local law enforcement and will cooperate with law enforcement agencies if an Impacted Party decides to pursue a criminal process.

An Impacted Party may pursue some or all of these steps at the same time. When initiating any of the above, an Impacted Party does not need to know whether they wish to request any particular course of action, nor how to label what happened. Before or

during this decision-making process, Impacted Parties and other Reporters are encouraged to consult a Confidential Resource.

Note that Nichols College's ability to remedy and respond may be limited if the Impacted Party does not wish to proceed with an Investigation and/or Resolution Process. The goal is to provide the Impacted Party with as much control over the process as possible, while balancing Nichols' responsibility to protect the larger community. In cases where the Impacted Party requests that no formal action be taken, Nichols College will honor that request (as circumstances allow) by offering Supportive Measures. If the Impacted Party elects to take no action, they can change that decision and pursue a Formal Complaint at a later date. Please consider that delays may cause limitations in relation to access to evidence and affiliate status of the Respondent.

INITIAL ASSESSMENT BY TITLE IX COORDINATOR

The Title IX Coordinator will also perform an initial assessment of each Report/Complaint to determine which if any further actions may be indicated or required.

This assessment may include, but is not limited to:

- a determination of whether the Report or Complaint alleges a potential violation of the Title IX Sexual Harassment Policy, Sexual Misconduct Policy, and/or other Nichols College Policies;
- a determination of whether there exists an immediate, ongoing threat to the safety and wellbeing of the Nichols community, such that the College must take action, including but not limited to: emergency removal of a Respondent; issuance of a timely warning; and/or Title IX Coordinator should pursue a formal complaint absent a willing Complainant; and
- a review of actions available for the College to stop, prevent and remediate any instances of Sexual Misconduct, for example, through training, education and/or awareness programs.

In order to protect the safety of the campus community, the Title IX Coordinator may review reports of violations of this policy even absent the filing of a formal complaint, or under certain circumstances, even if a formal complaint has been withdrawn, in limited circumstances. The Title IX Coordinator may need to themselves file a formal complaint and proceed with an investigation even if a complainant specifically requests that the matter not be pursued. In such a circumstance, the Title IX Coordinator will take into account the complainant's articulated concerns, the best interests of the College community, fair treatment of all individuals involved, and the College's obligations under Title IX.

Proceedings under this policy may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus. Neither a decision by law enforcement regarding prosecution nor the outcome of any criminal proceeding will be considered determinative of whether a violation of this policy has occurred.

Bystander Intervention

Nichols College expects all community members to take reasonable and prudent actions to prevent or stop an act of sexual misconduct. Taking action may include direct intervention (if it is safe to do so), calling law enforcement, or seeking assistance from a person in authority. Community members who choose to exercise this positive moral obligation will be supported by the College and protected from retaliation.

Tips for Bystanders

- Create a distraction.
 - Do what you can to interrupt the situation. A distraction can give the person at risk a chance to get to a safe place.
- Cut off the conversation with a diversion
 - ‘Let’s get pizza, I’m starving’ or ‘This party is lame. Let’s try somewhere else.’
- Ask directly.
 - Talk directly to the person who might be in trouble.
- Ask questions like ‘Who did you come here with?’ or ‘Would you like me to stay with you?’
 - Refer to an authority. Sometimes the safest way to intervene is to refer to a neutral party with the authority to change the situation, like an RA or security guard.
- Talk to a security guard, bartender, or another employee about your concerns. It’s in their best interest to ensure that their patrons are safe, and they will usually be willing to step in.
- Enlist others. It can be intimidating to approach a situation alone. Enlist another person to support you.
- Ask someone to come with you to approach the person at risk. When it comes to expressing concern, sometimes there is power in numbers.
- Ask someone to intervene in your place.
- Enlist the friend of the person you’re concerned about.

Fire Safety Awareness

All Nichols College residence halls are equipped with addressable fire alarm systems that report to a remote central monitoring station. When the monitoring station receives an alarm for smoke, fire, or carbon monoxide, it notifies the Dudley Fire Department and the Nichols Department of Public Safety for immediate response. Each residence hall contains both audible and visual alarm systems and is protected by fire suppression systems. Residential and occupied areas are equipped with wet suppression systems, while unoccupied or unheated areas utilize dry suppression systems. Fire alarm systems are tested semi-annually, and fire suppression systems are tested annually. Portable fire extinguishers are placed strategically in all campus buildings and are checked each year.

Nichols College, in collaboration with the Dudley Fire Department, conducts fire drills in all residence halls twice annually. The Dudley Fire Department also provides training for the Department of Public Safety on the use of portable fire extinguishers and conducts a “train the trainer” class for Resident Directors, Resident Assistants, and Public Safety staff. These individuals are then responsible for educating students in their residence halls about fire safety procedures. All members of the Nichols community are required to evacuate any building when a fire alarm system has been activated. Students who fail to evacuate are documented, and the incident is referred to the Office of Community Standards and Dean of Students.

Community members may report a fire to the Dudley Fire Department by dialing 911 from any landline or cell phone. Fires may also be reported directly to Public Safety by calling 508-213-2298.

In the Event of Fire (If you discover a fire in your area):

- Alert others in the immediate area.
- Get out and close the door behind you.
- Activate the building fire alarm system on your way out.
- Call 911 or Public Safety.
- Leave the fire area immediately by following your planned exit route and closing doors behind you.
- Exit the building by the closest exit or stairway.
- Never use the elevator. Always use the stairways.
- Once outside the building, move to a safe area. Tell the Fire Department if anyone is left inside, and do not reenter until you are told you may.

Smoking is prohibited in all campus buildings, including residence halls, individual rooms, hallways and lounges. Furthermore, smoking is prohibited in all partially enclosed areas such as covered walkways, breezeways and walkways between sections of buildings, areas immediately adjacent to building entrances, and exterior stairways and landings. Due to the risk of fire, all candles, toasters, halogen lamps, toaster ovens, or any open element appliances are prohibited in residence halls. Tampering with fire safety equipment is prohibited. A listing of all residence halls is attached to this report.
